Register of Public Roads - Index

Schedule of Changes	i - ix
Register of Public Roads - Roads	1 -131
Register of Public Roads - Lanes and Walkways	132-181

Definitions

Municipal Road - any road which is not a state road where Council accepts the ongoing management responsibility and that is listed in the Register of Public Roads

Lane - Provides side or rear access to properties that have alternative access to a higher order road, with shared vehicular traffic and pedestrian use. They are narrow with no on-street parking and no formal bicycle infrastructure. Laneways carry very low volumes of traffic at low speeds

Walkway - A narrow road reserve containing only a path for pedestrian traffic or pedestrian and bicycle traffic
